

Community Bushfire Recovery

Soil erosion solutions and bushland recovery field day

You are invited to a workshop for landholders

Clem Sturfels
Senior Soil Conservation Officer
Department of Primary Industries

Participate in a hands on workshop, demonstrating practical solutions for small soil erosion issues on your property

Dr Graeme Lorimer
Ecologist
specialising in post bushfire
vegetation recovery.

Take a walk and talk through the grounds and learn about vegetation recovery post bushfire. What are we seeing now and what should we expect in the coming months.

Meet at;
Ray
Dahlstroms'
property;

375 Steels Creek Road, Steels Creek
Melways 266 K2

Saturday July 25th
10.00am – 2.30pm

Please Note

This workshop will be held outdoors please come appropriately dressed for cold and wet weather.
